Celebrations - Past and Future

We finished 2014 with a wonderful open day at the Museum, followed by a pot-luck

dinner for members only. Lots of families came to visit during the day, and many of our dedicated Board members and docents came in the evening to reflect on what we have accomplished in the past 12 months and to just enjoy each other's company. We finished the evening by visiting together in the lovely Pullman car which is quickly being restored to its former glory.

ALL MEMBERS

This coming Tuesday, January 13th, will be the evening for our Annual Meeting. It will start at 6 pm and will include refreshments, a talk on the Pacific Coast Railway by Andrew Merriam, and our first business meeting of 2015. All members are encouraged to attend and we hope to see many of you there.

HELP NEEDED TO RESTORE S.P. CABOOSE #1886

Your assistance is greatly needed to complete the interior restoration of this caboose, last operated by Southern Pacific on the Lompoc/White Hills Branch. Much work has been accomplished by our volunteers, but now we need monetary help to complete the restoration of the 6 original chairs and the desk. All of the chair upholstery was destroyed years ago, but this is your opportunity to sponsor a chair. A local SLO upholstery shop has started work on the first chair and the cost will be \$400. Please step forward today and bring in or send a check for \$400 designated CABOOSE CHAIR/DESK to the railroad museum at :

San Luis Obispo Railroad Museum
Post Office Box 13260
San Luis Obispo, CA 93406

For more information about the caboose and the ongoing restoration, please click on our website. Your gift now can help create an exhibit that people will be able to enjoy for many years. Thank you!
