DAVENPORT 2-6-2
SATURDAY, NOVEMBER 7, 2020
10:00 am PDT
Presenter: Karl Hovanitz

This is a recently completed restoration of a Davenport 2-6-2 that was built

for service in France to supply the trenches in the Great War. It was finished after the Armistice was signed, and never shipped. Instead it was stored for most of the last 100 years. It runs as good as it looks, too!

For this session, video and audio are highly recommended in order to see the photos and graphics as well as hear the commentary.
