THE COG RAILWAY AT PIKE'S PEAK  
SATURDAY, MAY 8th, 2021  
10:00 am PDT  
Presenter: Jamie Foster

The official name today is the Broadmoor Manitou and Pike's Peak Cog Railway. It is reopening this May after a 3 year, 100-million dollar project to totally rebuild the railway. As luck would have it, Jamie got to ride this railroad in late 2017, just before it shut down for renovation. He'll share photos from that 2017 trip as well as a little history and detail about this railroad that will soon celebrate its 130th anniversary since the first passengers were hauled on June 30, 1891. You'll never guess what that first group of passengers

was...
